Make-up TxBESS Session

(you need not attend if you attended the 10-30-10 session)

2-26-11

9:00 am – 12 noon and 1 pm – 4 pm

Remember that if your school district provides you with TxBESS or equivalent training you do not need to attend. Also, if your mentor already has gone through TxBESS or equivalent training, he or she does not need to attend. Please be advised that we will require documentation of such training for your file.

If you are not sure whether your district training qualifies as TxBESS or equivalent training, please check with the Texas ACP office.

An easy way to tell if the training you attended is equivalent is if it is considered to be an induction training program for new teachers that focuses on new teacher support. Its emphasis is on peer coaching and collaboration with your mentor.

An email invitation will be sent to you from texasacpwebinar@aol.com a day or two before the session. Please forward you email to your mentor if he or she will be attending. Please check your spam and/or junk mail folder.
