June 12, 2010	PPR 10 – Domain Summary	<i>9am – 12noon and 1pm – 4pm CST</i>

**Necessary changes*

Who is required to attend these PPR Reviews:

1. Interns who have not taken or passed their PPR exam.
2. Post 1-1-09 interns who need a total of 300 hours regardless of whether or not they have passed their PPR exam.

Post 1-1-09 Interns who attended the PPR reviews in the Fall, which ended in January 2010, earned 6 hours per session attended. If you attended all sessions the maximum hours you earned are 30 hours. You may also earn another 30 hours by attending these sessions.

An email invitation will be sent to ALL current interns a few days prior to the review. Sessions will be held in our Virtual Classroom.

Please check with your Texas ACP office if you should have any questions.

Please remember that, although we do not anticipate making changes to the schedule, all sessions are subject to change due to unforeseen circumstances. We apologize for any inconvenience.

TxBESS Makeup Session

There will not be a makeup session for the TxBESS this semester. Interns who attended the first session will receive credit for the hours and receive a certificate upon request.

- Mentors were asked to conduct two observations of the intern during the first semester. Instead of the semester long Road Map activity, mentors are asked to do an additional two observations of the intern during the second semester in order for the mentor to fulfill their obligations to the Texas ACP. If the mentor has already begun the Road Map, they do not need to conduct the two observations as long as they complete the Road Map completely.**
